

Become a Certified Nursing Assistant!

**Reduced
Price**

Do you have experience providing in-home assistance, but interested in taking your career to the next level?

Or maybe you have no experience, but are interested in a career in the health care field?

Education and Training Connection is offering a Certified Nursing Assistant training program, which is designed to prepare you to provide quality care to clients in both private settings and health care facilities. Successful completion of the course meets the requirements to be eligible to take the State Competency Evaluation Exam for CNA.

Saginaw Location – 884 E. Isabella Rd., Midland MI 48640
